

## PUT YOURSELF IN THE PICTURE PHOTO ANALYSIS

Imagine yourself in the image provided and list three to five phrases describing what you see, hear, taste, touch and smell.

| See, real, taste, touch and sinen.                                                                                                                                                                                                                        |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Sight</b> What do you see? People? Words? Buildings? Animals? Interesting Items? Do these things give you clues about this time and place?                                                                                                             |
| 1.                                                                                                                                                                                                                                                        |
| 2.                                                                                                                                                                                                                                                        |
| 3.                                                                                                                                                                                                                                                        |
| 4.                                                                                                                                                                                                                                                        |
| 5.                                                                                                                                                                                                                                                        |
| <b>Sound</b> What do you hear? People? Animals? Nature? Sounds from inside or outside of buildings? Sounds can indicate something good, bad or sad.                                                                                                       |
| 1.                                                                                                                                                                                                                                                        |
| 2.                                                                                                                                                                                                                                                        |
| 3.                                                                                                                                                                                                                                                        |
| 4.                                                                                                                                                                                                                                                        |
| 5.                                                                                                                                                                                                                                                        |
| <b>Taste</b> What do you taste? Are things edible or is there "something in the air"?                                                                                                                                                                     |
