

Cross-Examination Worksheet

Group _____ Cook or Peary

Group Members:

Cross-Examination Worksheet

Directions-Students will look at all the evidence to disprove the other side. Your group needs to find evidence that the other side is not telling the truth. You will need to persuade the jury with the evidence. List the evidence below and where the evidence came from. Your group must have 5-10 supports from the evidence.

Evidence to Persuade the Jury

Your Evidence came from Where?
