

Opening Arguments Worksheet

Group _____ (Cooke or Peary)

Group Members:

Opening Arguments Evidence

-Directions-Group must sort through your supporting materials and find 5-10 supporting facts that prove that your person was the first to reach the North Pole. Students must list the facts they find below and they must list where they found the fact. Your group must be prepared to present (3-5 Minutes) to the court room using your evidence.

Evidence that Supports your Theory

Where did
you find your Evidence?

-
