

Photograph Analysis Worksheet: Native American Culture

DIRECTIONS: After viewing many different primary source documents, you and your partner are to select **2** photographs and answer the following questions based upon your observations and knowledge gained in the classroom.

1. **Photograph #1** (Please list the title if one is provided and the URL):

2. What do you think this photograph shows? Please be as specific as possible. What people, places, things, etc. do you see in this photo?

3. Describe how you think the main subject in this photograph feels. How do you know? What clues are there?

4. What's one thing you find interesting about this photograph? Explain what makes this interesting.

1. **Photograph #2** (Please list the title if one is provided and the URL):
