

## Rubric for Facebook Page

The purpose of the project is to create a Facebook page for one of the historical figures we have been studying. You will have 4 days total to research and complete this project. Use this sheet to complete your research before you begin constructing your Facebook page.

### GUIDELINES

- Name the historical figure at the top of the page
- 1 Profile Picture of your historical figure

#### Information Corner/Basic Information

- Network
- Birthday
- Political Affiliation
- Religion
- Hometown

#### Friends Corner

- 5 pictures of people that are/would be friends with your figure

#### The Wall

-Write at least 5 “status updates” on the Wall of your figure. These should be significant and relate to the thinker. These facts are needed to highlight important events that your historical figure is famous for. Each comment must be about a significant SEPARATE event and should include an accurate date. The comment can be from your figure or from someone associated with your figure.

#### Personal Information (at least 3 of each)

- Activities
- Interests
- Favorite Music
- Favorite Movies
- Favorite TV Shows
- Favorite Books

(Obviously, TV and movies did not exist during this time period. What you can do is think about modern TV, music, movies, etc. that your thinker would enjoy based on what you know about them. For example, I might choose AC/DC’s Thunderstruck as one of Franklin’s favorite songs since he was so preoccupied with lightning storms ☺ )

#### Contact Information (This may require some creativity)

- Address
- Phone Number
- Email Address
- Photos (5)/Albums
