The Trial of Galileo Test

Test is worth 100 points

Directions: Read each question carefully and respond in complete detail. You may use your group notes and the notes you took on the other groups. If you need more space, you may use the back of this paper or an extra sheet of notebook paper.

1. Why was Galileo brought before The Inquisition?

2. Did Galileo change his position? Why or why not.

3. What caused Galileo to believe in the Copernican solar system?

4. How did other scientists define the relationship between science and religion?

5. What were the old and new values that were coming into conflict at this time of Scientific Revolution?
